

Planning Service  
Yorkshire Dales National Park Authority  
Yoredale  
Bainbridge, Leyburn  
North Yorkshire DL8 3EL

**YORKSHIRE DALES**  
National Park Authority

Application for Planning Permission.  
Town and Country Planning Act 1990

**Publication of applications on planning authority websites.**

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website.  
If you require any further clarification, please contact the Authority's planning department.

R152/219A

**1. Applicant Name, Address and Contact Details**

Title:  First Name:  Surname:

Company name:

Street address:

Town/City:

Country:

Postcode:

Telephone number:

Mobile number:

Fax number:

Email address:

Are you an agent acting on behalf of the applicant?  Yes  No

**2. Agent Name, Address and Contact Details**

No Agent details were submitted for this application

**3. Description of the Proposal**

Please describe the proposed development including any change of use:

Has the building, work or change of use already started?  Yes  No If Yes, please state the date when the building, work, or use started:

Has the building, work or change of use been completed?  Yes  No

#### 4. Site Address Details

Full postal address of the site (including full postcode where available)

House:  Suffix:

House name:

Street address:

Town/City:

Postcode:

Description of location or a grid reference  
(must be completed if postcode is not known):

Easting:

Northing:

Description:

Retrospective application for redirection and widening of existing track through coppice and creating a new access to unclassified road.

#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?  Yes  No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:  First name:  Surname:

Reference:

Date (DD/MM/YYYY):  (Must be pre-application submission)

Details of the pre-application advice received:

#### 6. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway?  Yes  No

Is a new or altered pedestrian access proposed to or from the public highway?  Yes  No

Are there any new public roads to be provided within the site?  Yes  No

Are there any new public rights of way to be provided within or adjacent to the site?  Yes  No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?  Yes  No

If you answered Yes to any of the above questions, please show details on your plans/drawings and state the reference of the plan(s)/drawings(s)

vehiclegrossingplan\_stablecottage.pdf  
stablecottage\_original track\_location.pdf  
stablecottage\_redirected track\_location.pdf

#### 7. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?  Yes  No

Have arrangements been made for the separate storage and collection of recyclable waste?  Yes  No

## 8. Authority Employee/Member

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

Yes  No

## 9. Materials

Please state what materials (including type, colour and name) are to be used externally (if applicable):

### Boundary Treatments - description:

Description of *existing* materials and finishes:

Galvanised stock fencing alongside entrance.

Description of *proposed* materials and finishes:

Galvanised stock fencing alongside entrance.

### Vehicle Access - description:

Description of *existing* materials and finishes:

Compacted limestone hardcore to form a solid foundation and surface.

Description of *proposed* materials and finishes:

To be partially grassed over within the coppice.

Tarmac strip to be inserted at the actual joint with the unclassified road in conjunction with highways guidelines.

Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?

Yes  No

If Yes, please state references for the plan(s)/drawing(s)/design and access statement:

StableCottage\_track\_sectionplan.pdf  
Vehiclecrossingplan\_stablecottage.pdf

## 10. Vehicle Parking

No Vehicle Parking details were submitted for this application

## 11. Foul Sewage

Please state how foul sewage is to be disposed of:

Mains sewer

Package treatment plant

Unknown

Septic tank

Cess pit

Other

Other

N/A

Are you proposing to connect to the existing drainage system?

Yes  No  Unknown

## 12. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)

Yes  No

If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

Yes  No

Will the proposal increase the flood risk elsewhere?

Yes  No

## 12. Assessment of Flood Risk

How will surface water be disposed of?

- Sustainable drainage system       Main sewer       Pond/lake  
 Soakaway       Existing watercourse

## 13. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:

a) Protected and priority species

- Yes, on the development site       Yes, on land adjacent to or near the proposed development       No

b) Designated sites, important habitats or other biodiversity features

- Yes, on the development site       Yes, on land adjacent to or near the proposed development       No

c) Features of geological conservation importance

- Yes, on the development site       Yes, on land adjacent to or near the proposed development       No

## 14. Existing Use

Please describe the current use of the site:

access track for campers only.

Is the site currently vacant?  Yes  No

Does the proposal involve any of the following?

If yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated?  Yes  No

Land where contamination is suspected for all or part of the site?  Yes  No

A proposed use that would be particularly vulnerable to the presence of contamination?  Yes  No

## 15. Trees and Hedges

Are there trees or hedges on the proposed development site?  Yes  No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes  No

If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

## 16. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or waste?  Yes  No

## 17. Residential Units

Does your proposal include the gain or loss of residential units?

Yes  No

| Market Housing - Proposed |                    |   |   |    |         |

Existing Key Worker Housing Total

### 18. All Types of Development: Non-residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Yes  No

### 19. Employment

No Employment details were submitted for this application

### 20. Hours of Opening

No Hours of Opening details were submitted for this application

### 21. Site Area

What is the site area?

150.00

sq.metres

### 22. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

The development is simply a campers cars access track and footpath, taking away any possible disturbance to neighbouring properties.

Is the proposal for a waste management development?

Yes  No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make clear what information it requires on its website.

### 23. Hazardous Substances

Is any hazardous waste involved in the proposal?

Yes  No

#### A. Toxic substances

Amount held on site

Tonne(s)

#### B. Highly reactive/explosive substances

Amount held on site

Tonne(s)

#### C. Flammable substances (unless specifically named in parts A and B)

Amount held on site

Tonne(s)

### 24. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes  No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

The agent  The applicant  Other person

### 25. Certificates (Certificate A)

Certificate of Ownership - Certificate A

## 25. Certificates (Certificate A)

### Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner (*owner is a person with a freehold interest or leasehold interest with at least 7 years left to run*) of any part of the land to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding (*"agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act*).

Title:  First name:  Surname:

Person role:  Declaration date:   Declaration made

## 26. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

Date

Stable Cottage – redirected access track for campers – reasoning:

1) Privacy from campers for our nearest 4 neighbours in Westend Cottage, Westend Farmhouse, Dunromin Cottage and Rosedene Cottage who along with us in Stable Cottage and Fell Cottage all have one shared access track to the respective properties on which all the campers must also pass through.

2) Safer exit onto Raydale lane. The current shared access road from the cottages listed in point 1 and campers has a non-too safe exit onto Raydale lane as it's at an extreme shallow angle adjacent to the highway. When exiting onto Raydale lane it's almost impossible to see any potential traffic coming from the left over the rise, *(fortunately Raydale lane is a single lane no through road resulting in little traffic and of which is mostly farming vehicles travelling at 15-25mph)*. Whereas the new access track is at an almost 90 angle to the highway along with a 7metre wide opening, *(cars generally average at only 1.5m wide)*.

3) Maintaining the future health of the copse. The previous owner before last, (John Murfin), planted the copse over 30 years ago in an effort to try and dry out that area of the field which was termed as totally useless as it suffered very badly from water running over the unclassified road, (Raydale Lane), down from the elevated Marsett ridge effectively turning it into a quagmire.

Unfortunately the owner before us, (J. Matlock), left the copse to its own devices and over time other seedlings took hold almost growing over the original track within it, resulting in the copse becoming far too dense with no natural light causing numerous trees to wither and fail.

Track or no track the copse required thinning down to maintain the trees health and we have to date removed 16 Scots pine trees from the copse some of which were up 10 meters away from the track side, (the stumps are evident), 9 of the 16 were dead anyway and there are a further 3 or 4 dead ones that still require removing and are more than welcome to be inspected prior their removal.

Of course by removing the 16 trees and thinning down the branches of numerous others in order to allow natural light to penetrate the copse didn't fix the original drainage problem of the water coming down from Marsett ridge and turning the top side of the field into a bog.

Therefore in March this year in an effort to alleviate the drainage problem and to further enhance the natural look of the area we have planted a further 75 new trees, over doubling the sqm area originally covered by the copse whilst taking care that the random spacing between them won't lead to a future density and natural light problem in order that they can thrive in full health for many years to come.
