Dear Ms Hack

TOWN AND COUNTRY PLANNING GENERAL PERMITTED DEVELOPMENT ORDER 1995

PROPOSAL: prior notification under schedule 2, part 23 of the Town and Country (General Permitted Development) Order 1995 for extraction of sandstone to create aggregate to be used for repair of moorland access tracks

LOCATION : High Whim Borrow Pit, Muker

In reply to your notification dated 19/06/2013, I am pleased to inform you that the National Park Authority has no objections to the proposal as submitted and has granted consent subject to the following conditions (as detailed in subsection B.2 of the Order):

Conditions

1. The development shall be carried out in accordance with the details given in the notice sent to the mineral planning authority, unless that authority have agreed otherwise in writing.

An acceptable scheme of restoration and aftercare has been provided with the application. Subject to the works being carried out in accordance with the Method Statement submitted with the application, it is considered that no further information is required.

Alterations or Amendments

The work must be carried out strictly in accordance with the specifications and plans which accompanied your application. Prior written approval must be obtained from this Authority for any modifications to your proposal. Any work carried out without approval is a breach of planning control and could lead to enforcement action being taken against you.

This consent is for planning purposes only. You should satisfy yourself that you have any other consents that you require.

If you have any queries or require further information please contact the Planning Assistant on 01969 652349.

Yours sincerely
